

A photograph of children and an adult playing with a large, multi-colored parachute in a grassy area. The children are holding the edges of the parachute, which is being lifted into the air. In the background, there is a brick building with large windows, likely the nursery. The scene is bright and cheerful.

HIGHFIELD SOUTH FARNHAM NURSERY

Nursery Manager: Chloe Covus

Welcome to Highfield South Farnham Nursery, an Ofsted 'Outstanding' Nursery following our inspection in January 2018. I hope you will find this prospectus informative and helpful in discovering more about our Nursery.

As parents you already know that children develop quickly in the early years and a child's experiences between birth and age five can have a major impact on their future life.

At Highfield South Farnham Nursery we aim to provide a secure, safe and happy environment where we can work together with parents to provide the best possible start for children.

Together we can make the children's experience a full and exciting one so that they can develop their personalities and talents to:

- Become happy and confident individuals with a secure foundation in learning that will last throughout their lives.
- Develop lively and enquiring minds by acquiring knowledge and understanding.
- Make sense of the world in which we live with respect for other individuals, groups and cultures.

Prior to starting Nursery there will be an opportunity for you to meet the Nursery staff, look round the setting and find out about the learning opportunities your child will experience.

“It's a beautiful setting with such nurturing staff, everyone in the area needs to see it!” Parent.

What we offer...

The Nursery is housed in a large purpose-built structure with an extensive outdoor area which is securely fenced.

The Nursery setting offers different sessions which are listed below. The nursery can hold 48 children. Children attend a minimum of 18hrs a week, 15 of which are government funded sessions. We also accept spaces of 30 hour government funded childcare. If you choose for your child to attend for a full day or an extended day we are able to provide a healthy, well balanced school dinner and the school office will be happy to confirm costs.

Children will be admitted into Nursery in the term after their 3rd birthday. Please complete an application form if you wish to be added to the waiting list for the next term's entry.

Core Hours

Morning Session	9:00-12:00 (Includes an Morning Snack)
Afternoon Session	12:00-15:00 (Includes an Afternoon Snack)
Full Day	9:00-15:00 (Includes an Morning and Afternoon snack and either packed lunch or school dinners- additional charge)

Additional Hours

Breakfast Club	7:45-9:00	£7.50
After School Club Short	3:00-4:30	£7.00
After School Club Long	3:00-6:00	£15.00

School Dinners cost £2.60 and need to be ordered in advanced

Highlights on our OFSTED Inspection, January 2018

“The learning environment is bright, safe and highly stimulating. Inside and outside spaces are attractive, well- resourced and purposeful.”

“Children in the early years are prepared exceptionally well for the formal learning that follows. Staff work highly effectively together to provide rich learning experiences that enable children to thrive.”

“Children in the early year’s provision are extremely well prepared for key stage 1 learning. This is because of their consistently high-quality experience during both Nursery and the Reception Year.”

“Children engage incredibly well with their learning. They show themselves to be happy, confident and highly cooperative with each other. This was evident during a visit to the Nursery, where children waited patiently for their turn in the soft play area”

Why are we different?

The Nursery setting is located in a beautiful purpose built environment with extensive facilities, including a soft play room.

The Early Years Team are highly qualified and have many years' experience working with children from 3 -4 years old.

The Nursery is part of a highly successful school which provides the children with a wide range of resources and opportunities including our outstanding astroturf multi games area.

We use an online system so parents can see pictures and videos of their child. It is a great way to see what your child has been up to and what activities they have enjoyed.

The building is set in 2 acres of land in which the children to explore and learn. Most of our day is spent outside!

This mission of our team is to build the children's confidence and allow freedom of choice. We aim to ensure that each child has a great introduction to learning and a smooth transition to Reception feeling happy and excited to learn and grow.
